TITLE OF CASE AND OFFENSE CHARGED OR NATURE OF MATTER UNDER INVESTIGATION:

**In re RICARDO FLORES MAGON and  
LIBRADO RIVERA, former publishers of "REGENERACION"  
Anarchists**

STATEMENT OF OPERATIONS, EVIDENCE COLLECTED, NAMES AND ADDRESSES OF PERSONS INTERVIEWED, PLACES VISITED, ETC..

**At Los Angeles, Cal:-**

In a letter removed from the mails under authority of search warrant by Special Employee Mr. Alfred Blakely, - which letter is written in the Spanish language, is dated at Fort Leavenworth, December 8, 1918, and is addressed to Rafael B. Garcia, an archist residing in Los Angeles and under surveillance by this office, - the writer, Enrique Flores Magon, now confined in the Fort Leavenworth penitentiary, states among other things that he has been informed that his brother, Ricardo Flores Magon, and Librado Rivera, anarchists serving a twenty years' sentence at McNeil Island, have petitioned to be transferred to Fort Leavenworth. The writer does not desire to have their petition favorably acted upon, and hints that their object in making it may be that they see at Leavenworth an easier way to effect their escape, which at McNeil Island would be practically impossible owing to the fact that neither of them is a good swimmer.

Enrique Flores Magon was formerly associated with his brother Ricardo, and Librado Rivera, in the publication of the revolutionary anarchist newspaper "Regeneracion" in this city, and the brothers are now bitter enemies.

The remainder of the letter contains much information from the writer as to his health and occupation, but clearly shows that he takes his predicament philosophically, being satisfied and even grateful for the generous treatment accorded him.

Mr. Norman Carlson Director  
Federal Bureau of Prisons  
101 Indiana Ave. NW  
Washington 20537

Dear Mr. Carlson

I've been asked by several newspapers to do articles on the centenary of a now-famous person who spent time in several Federal prisons earlier in the century. Certainly photos of him must have been taken, and I'd think such photos would make most interesting illustrations for the articles. My question, of course, is how do I get these photos or copies thereof (the man, of course, is long since dead, so he couldn't be harmed by them; he doesn't even have any living American relatives). Should I contact the various prisons, or would it be more productive to work through the public-relations branch of your agency, or ?

I list herewith the dates and places of his incarcerations and the reasons therefor relative to RICARDO FLORES MAGÓN (who, being Mexican, might conceivably be listed in a file under the Fs rather than the Ms):

Yuma Penitentiary--May, 1909 to Jan. 1910, when transferred to Florence, from which released Aug. 3, 1910. Crime charged: Violation of Neutrality Laws.

McNeil Island--July 4, 1912 to mid-January (or possibly April) 1914; charged with conspiring to invade a friendly power.

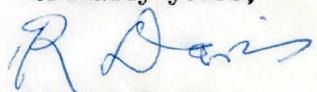

McNeil Island--Aug. 15, 1918 till Oct. 19, when transferred to...

Ft. Leavenworth. There till his death Nov. 21, 1922. Crime charged: Sedition (under very severe Espionage act of 1917)

Mr. Flores Magón was born in Mexico, Independence Day, 1874)

Thank you most gratefully for your help in this matter.

Cordially yours,

①

Dear Henry - Health! - These lines will serve to acquaint all our friends and companions, that are like you victims of the economic tyranny, and who our owners and exploiters have subjected us to this "sanctuary" and out with it.

My wishes were to write to you, just as soon as I got to this unworldly jail (for it could not be named otherwise) but it was impossible for the reason, that the money mine as well as that of my companion Ponchon, the official took it we, he took also our money away from us.

(7) Thus we found ourselves truly in a critical situation, and besides as the change was so strange to me that I have been still sick and more than I was there. The bag of puss, still is hurting me and also the Flu attacked me for about two days, so you will imagine how I must feel.

Turning back to my critical situation, that which has saved us during these days was that one of our companions sent Pernicious \$25<sup>00</sup>, and with them we have bought milk and pie. In order to half-live, meanwhile the border of the Gods reaches here.

In respect to my famous case, by letter that I have from Weinberger, they will not let me go to another country and they have transferred the order

③ of deportation, saying that they will leave me stay in this country under a \$5,000.00 bond. And this is for me the last. For I cannot stand it. So I have this very day, I have sent a telegram to Washington, where I am saying, that I have no friends that can put up the bond, already mentioned because it is so excessive, and that I prefer to face the "firing line" in Mexico, ~~to~~ die than to die here suddenly in this dirty and degraded jail.

I have to hand two letters and a telegram from the lawyer where he tells me that which I have already mentioned to you. And every time that I contemplate that which it is written in them a wave of indignation takes hold of me. As you know, that if I was not sick it would not matter, however, in my present

(4) state of health, I am disposed and ready for anything  
that it may come. (Give my regards to Tierron) As far  
as I am concerned I have chosen Tampico, I don't  
know whether Washington will be able to obtain them.

He we have found our companion Camino,  
editor of the "Workers' World" and organizer of the Communist  
Labor Party, I spoke to him of ~~you~~ all our companions  
there. He is under 15,000<sup>00</sup> bond. The Communist  
Labor Party, has sent us many ~~the~~ good things Receive  
you and Richard from my part and also transmission our  
fraternal health.
